NOTES:

1. GRADINGS

All coaches qualifying after 1st January 2013 will only be qualified to grade subject to the Coach successfully completing the Technical Grading Module at the appropriate level.

2. MATSIDE COACHING

All coaches qualifying after 1st January 2013 will only be granted permission to coach matside subject to the Coach successfully completing the Matside Coaching Module at the appropriate level. BJA Level 1 Coaches will be granted permission to coach matside for All Level 3 competition and the following Level 4 competitions 10/11 year old Nationals and British Schools only.

3. LEVEL 2 COACH DIRECTION:

For the purpose of this document “under direction of a BJA Level 2 coach” equates to the BJA Level 2 coach mentoring the BJA Level 1 Coach, this would include agreement on when and how often the Level 1 coach would coach under direct supervision and working towards independent coaching at the appropriate level (coach should be 18 years + and 1st Kyu or above to coach independently).

The BJA Level 2 Coach preparing the class plans and progression plans for classes that the BJA Level 1 Coach will deliver. It is expected that the level 2 coaches would monitor the delivery of the sessions and would observe an actual delivery of at least one session in eight or more often if the BJA Level 2 coaches felt that more monitoring was required.

The BJA considers the Level 2 coach to be responsible for the quality and safety of the delivery by the Level 1 coach.
