# **BJA Hampshire Judo 2018 AGM Report**

## **Note from the Chair – Adrian Dove**

### **1. Storage**

The Hampshire Judo storage commitments have now been solved after the rebuild of Fleming Park. The unwanted mats and storage container were sold which provided some extra revenue for Hampshire. The excess mats are now being held at another Hampshire venue, free of charge.

### **2. Competitions/venues**

The Hampshire Closed was successful this year. It was held at a different venue which worked well and was not overly expensive. Although entries did seem to trickle in at the beginning, by Peter Blakemore using the online pie chart on various Facebook pages, it appeared that this approach encouraged more entries and so helped promote our competition.

### **3. Hampshire Squad/Players**

Holding the Hampshire trials was a success and helped to look at potential players for the actual Hampshire Squad. It has been noticed that there is a core group of players who now attend the Squad training sessions and that others are now becoming interested in being part of the Hampshire Squad. The Squad achieved a good result at the 2018 Intercounties competition and from feedback already given to me, they all enjoyed themselves.

A Hampshire player has just won a Gold Medal in the Junior European Cup – Shelley Ludford.

### **4. Committee**

We are doing well in communicating with each other, especially when we need things done urgently or another member requires assistance. If we can keep doing this, it will help us build a stronger team.

A good relationship has now been built between the Southern Area Acting Chair and myself. He would like to see Hampshire being more involved with the Southern Area committee and events and hopes that our involvement can get stronger over the coming years.

## **Secretary's Report**

During 2017/2018 BJA Hampshire Country has been solvent and have run a full programme of activities. In brief this has included:-

1. Competitions
  - a. Hampshire Closed
  - b. Hampshire Open
  - c. Hampshire SN Open
  - d. Intercounties
2. Dan and Kyu gradings
3. Officials and Referees courses
4. Coaches Revalidation courses

We would like to continue to run a range of activities for Hampshire Judo, however this depends on both finances and particularly resources to run the events. In the light of our current resource constraints Hampshire County will only be running 3 competition dates during 2018, we will seek to support clubs in running Level 1 competitions. We will continue to run Dan gradings throughout the year.

We have two examiners in Hampshire who are currently close to becoming Senior Examiners, Llyr Jones and Derek Hopkins. This will help to give us additional resources to carry out gradings in the area, all things being equal both should qualify in 2018.

### **Forthcoming planned dates**

Saturday 26<sup>th</sup> May 2018 – Judo Games and Animal Movements

Sunday 8<sup>th</sup> July 2018 – Red and Yellow Belt Rumble (subject to venue confirmation)

Sunday 28<sup>th</sup> October 2018 Hampshire Open and Adaptive Open

Sunday 3<sup>rd</sup> March 2019 – Hampshire Closed

Sunday 14<sup>th</sup> July 2019 Red and Yellow belt rumble for Kids

Sunday October 13<sup>th</sup> October 2019 – Hampshire Open and Adaptive Open

## **Membership**

It is necessary to remind clubs to ensure that both their club and coaches are correctly and currently insured through the BJA. If members training either at a club that is not a current member of the BJA or with a coach that isn't a current BJA qualified coach because their insurance is not valid or they have not kept up to date with coaching requirements for CPD, then their personal insurance is invalid.

## **Thanks**

I'd like to thank Peter Blakemore, for his hard work as Hampshire's Competition Coordinator, the pressures of work have meant that he has had to step down from the role. Thanks must also be extended to all the BJA Hampshire members and volunteers who contributed to the success of Judo within Hampshire during 2018. With their hard work and yours, we can help Judo to grow in the County.

## **Table Officials' Co-Ordinator Report 2017-2018**

During 2017 and 2018, Hampshire officials have regularly supported various events within Hampshire, the Southern Area and further afield, including the Hampshire Open and Special Needs Competition, Kyu and Dan Gradings, the Inter-Counties, and events throughout the Southern Area and neighbouring counties. As usual our senior officials have also attended several National events all over Great Britain, and parts of Europe.

Hampshire is extremely lucky to have senior officials who are qualified to run competitions of all levels, plus we are able to call on the services of our neighbouring areas of Northern Home Counties, and Western Area if we get stuck. I have Time-Keepers within the County that I know I can rely on to support me at our events, plus local Time-Keepers from the BJC if numbers get tight.

Unfortunately as a county we still struggle to supply Hampshire-based officials who are qualified Competition or Senior Recorders, and I rely on known officials from outside of the county who are very happy to support us because of their love of judo. Our former Competition Co-Ordinator, Peter Blakemore, is a Senior Recorder and is a valuable addition to our regular volunteers, some of our Referees are also qualified Recorders, and will help out when needed. Plus I've recently discovered that some other members of the

Committee can turn their hand to time-keeping and the odd bit of paperwork when multiple competitions on the same day result in a shortage of Officials.

I continue to be extremely grateful to have officials who regularly give their time, and share their experience, so that we are able to put on a variety of events in Hampshire. A **BIG** thank you to everyone, we couldn't survive without your continued support.

If anyone is interested in becoming a qualified official and would like to find out more, please let me know either via [officials@hampshirejudo.org.uk](mailto:officials@hampshirejudo.org.uk) or come and have a word at one of our events. If you are interested please let me reassure you that there will be no pressure put on you to attend every event, but it is always reassuring to know that there are extra people available who may be able to help. We all work together in our judo family, giving each other moral support to boost our confidence. All of which is vital when it comes to supporting the most important people at the competitions – our players.
