**AOB:**

**i) Kata** – Tina Penfold has not been able to attend previous meetings, but would like to fit kata in with Hampshire events for 2011. On 12<sup>th</sup> December a Nage-no-kata and Katame-no-kata event is being held at Chichester, facilitated by Tina and Dennis Penfold (all information relating to this can be found on BJA website).

Alan Rickard advised that the Finance committee meeting agreed a budget for 2011 for kata which is now on the agenda. Mick Leigh advised that most areas are struggling, however EJU regulations recognise 7 katas and Scotland now have kata in their system. There is a query with regard to funding from Sport England as Mick Leigh is certain that kata will be involved in the Olympics.

Tina and Dennis Penfold have been invited to run a kata session. Peter Powell agreed to set up the event and has received a good response. Alan Rickard advised that the area could offer assistance due to cost involved.

Tina Penfold would like coaches to encourage players to support kata.

**ii) Events / venues** - The Chairman has received a request for the use of Frogmore Leisure Centre for a grading, with the cost of the whole hall from 2pm – 8pm is £120. Steve Lansley would need the venue more than 3 – 4 times a year. The 2<sup>nd</sup> mat area could provide gradings and smaller competitions which could be held there. Steve will obtain figure to confirm.

It was reiterated that the county is prepared to run events anywhere and would like to remind clubs that we need venues and support. The size needs to accommodate 1 – 2 mat areas. The problems with the Mountbatten Centre do continue.

Alan Rickard advised that Surrey run a league and clubs get points for entering officials 4 times a year, red and yellow belt, trials and split grade and open for all grades. Surrey now only operate closed events due to cost.

Alan Rickard advised that entry forms are not published early enough on our website. Paul Sexton discussed banking cheques either on receipt or after closing date. Direct payments for events was also discussed. BJ – Sports Councils are pressing the BJA to get counties to arrange their accounts in a common format or funds / grants will not be allocated. It would be beneficial if all counties co-ordinated accounts in the same manner as the Southern Area. Southern Area are to produce some guidance notes.

**iii) Gradings** – Steve Lansley requested confirmation of mat areas required for next years events. The Chairman and Peter Powell confirmed 2 mat areas would be adequate. It was agreed AWE would be used for Feb 20<sup>th</sup> from 9am – 2pm.

**iv) Request for funding** - A request has been received from Paul Black to assist with funding for 2 players to go to Japan. Alan hadn't realised that an email had been sent to counties and areas. Alan was not happy with the selection process and Alan Rickard advised that 3 – 4 players had been sponsored to a maximum of £400. Hampshire declined to sponsor as the county is currently not in a financial position to be able to afford this.

**v) Mat update** - Barry James has discussed the situation of mat insurance loss with Donald Steele. Clubs can take up to £5K free insurance. Area and county mats not registered need to pay 3% of the value per annum. The Chairman agreed to contact Donald directly to discuss County / Clubs / groups.

On 22<sup>nd</sup> October Keith Adams, Val Kelly, Paul Sexton met with the Southern Area committee (Peter Powell was also in attendance in an observer capacity) and it was acknowledged that there clearly were misunderstandings from both parties, with faults being acknowledged by both sides. A reimbursement of £2,100 was agreed by the Southern Area plus a £1,000 interest free loan to be repaid in £200 payments over 5 year period. This will be deducted from the Hampshire share of the Southern Area grading levies).

Paul Sexton had received a call from Chris Bowles who received an agreement from the Southern Area to have 4 mat area for a training camp in December. Hampshire had not been made aware of the Southern Area agreement with Chris. We were now aware and Chris collected the mats from Lok Store. Winchester University had mats under the development scheme, however Chris needs all of the mats. He had been unable to collect the mats from Winchester on the day due to the driver's hours. A minibus will collect the mats at a later date. The mats will be returned to Hampshire in the New Year. Barry advised that these Southern Area mats now belong to Hampshire. He agreed not to hand over Hampshire mats until loan situation with Chris is clear. Alan Rickard and

Barry James will speak to Chris directly to sort out the situation.

A request has been received from Jersey to hire Hampshire mats for Jersey Open on 26<sup>th</sup> Feb. Jersey have advised they would use Pickfords to collect and return the mats and they would ensure they are covered by insurance. Funding for the event has been sorted by Jersey, but they are not in a position to fund expenses. Initial funding will come from Jersey Council. Alan Rickard confirmed no funding would be available from the Southern Area. The Hampshire committee agreed the use of Hampshire mats, though Jersey will need to cover transport and insurance themselves.

**Action:** Peter Powell agreed to reply on behalf of the committee and will liaise with Jersey over this.

It was agreed that the mats currently at the Mounbatten Centre will no longer be available for other events.

**Action:** It was agreed Paul Sexton will contact Richard Neale at the Centre to make an appointment to meet with him.

**vi) Incidents** – All incidents at events, should be reported to the Southern Area who may decide to report to the Southern Area discipline committee which comprises of Keith Adams, Barry James and Mick Leigh. The Code of Practice is currently being updated.

**vii) Southern Area appointment:** Tina Penfold – Barry James advised that Tina Penfold has agreed to become Southern Area Secretary with immediate effect. Tina can be contacted via e mail at [Tinafunnyface@tiscali.co.uk](mailto:Tinafunnyface@tiscali.co.uk) or telephone 02392 373041. Congratulations.

On behalf of the Hampshire Committee, Keith Adams thanked the Southern Area for their understanding and support of our problems and attending our meeting in Hampshire tonight. Alan Rickard replied on behalf of the Southern area representatives by confirming that representatives from the Southern Area are willing to attend any future meetings, all we need to do is ask.
