Hampshire Judo Committee meeting 3rd April held in Fleming Park between 7:30 and 21:00		
1	<p>Present at meeting Bryan Andrews, Lynn Stringer, Derek Hopkins, , Roland Fugh, Paul Vella, Dave Tooby and Dawn Davies</p> <p>Apologies for not attending the meeting Chris Doherty and Jan Botting</p>	
2	<p>Agenda</p> <p>1 - Consider the various roles and responsibilities of the Committees.</p> <p>Questions to consider and answer below please -</p> <p>1 Are we still fit for purpose? 2 Are all the roles still relevant? 3 Should the roles be broader so that we all do more jobs? 4 Given the limited volunteers for the Committee for the foreseeable future are we trying to do too much, should we limit the number of activities that we provide? 5 What else do you think?</p> <p>On the whole and given that we are planning to run fewer events, we concurred that we are still fit for purpose. Although more resources would be welcomed.</p>	
	<p>Northern Home Counties aren't split by area, NHC coordinate everything for the area – We asked Dave Stanley why SA don't run the competitors. 35 competitions and Dan gradings are run in the SA annually and 8 events in Hampshire</p> <p>Andy Tremlett can qualify referees with written theory and then practical. Can we run the course that is necessary? He can do the exam but not sure about the course.</p> <p>Officials – needs to be done by area.</p> <p>We struggle with Refs from Hampshire going outside of the county and area to referee at other events. Generally happen because of late notification of dates</p> <p>Can we encourage young club referees to come forward? 12 years + and Green belt + Some restrictions due to age.</p>	Roland
